

Fellowships and Grant Opportunities – Hand Surgery

Due Date	Source	Name	Amount	Additional Information
4/6/2020	AFSH	American Foundation for Surgery of the Hand (AFSH) Clinical Research Grant	Each two-year clinical grant selected will receive a \$40,000 award (direct costs only).	The American Society for Surgery of the Hand (ASSH) and the American Foundation for Surgery of the Hand (AFSH) have established grant funding to encourage young investigators to perform clinical research studies. Our goal is to enable investigators to initiate pilot projects that will lead to subsequent funding from other sources such as the National Institutes of Health (NIH).
