

Fellowships and Grant Opportunities – Thoracic Surgery

Due Date	Source	Name	Amount	Additional Information
Variable	American Lung Association	Senior Research Training Fellowship	\$40-\$100K awards	Through the lens of scientific innovation, pioneering new ideas, the ALA is championing the next generation of brilliant scientists to independence and beyond. Some awards appear to be directed at junior faculty.
September	Thoracic Surgery Foundation	Resident Research Fellowship Previous Successful Application	Up to \$40K per year; 1-2 yrs	These awards are designed to provide salary and/or direct experimental support for surgical trainees who wish to acquire investigational skills. Although a specific research program is required as the major component of the application, emphasis in making the award is placed on the potential of the applicant, based on prior accomplishments, and the quality of the educational experience for the applicant. Particular emphasis is placed on evidence of supervisory interaction in preparation of the application, the extent to which research training and a productive educational experience is convincingly described, and the training environment.
