

Fellowships and Grant Opportunities – Cardiac Surgery

Due Date	Source	Name	Amount	Additional Information
September	AHA	American Heart Association Postdoctoral Fellowship	Up to \$80,142 per period and no more than \$160,284 total (1-4 yrs)	The AHA funds basic, clinical, behavioral, translational and population research, bioengineering/ biotechnology and public health problems broadly related to fulfilling our mission to be a relentless force for a world of longer, healthier lives. Indirect costs not covered.
September	CHSS-CRQ	Kirklín/Ashburn Research Fellowship	N/A	This is a two-year non-clinical appointment to the CHSS Centre for Research and Quality (CRQ). The focus of the Fellowship is outcomes research, primarily of the many multi-institutional prospective cohort studies of the CHSS. The Fellow will become expert in database management and in all aspects of biostatistics and epidemiology. Particular emphasis is placed on the research methods, presentation at national meetings, and manuscript preparation and publication. The Fellow will also have substantial exposure to the field of congenital heart disease and its clinical management.
